

J. VILA

J. Vila is proud to present the finest collection of chandeliers, wall lamps and table / floor lamps of classical, neoclassical and modern designs. With enthusiasm, we design and produce every one of our products exclusively.

We also have a made-to-order department with experienced professionals who are capable of designing and producing whatever our customers would truly like.

Furthermore, we deal with a wide range of materials such as world famous Swarovski / ASFOUR crystals and many alternatives we have selected carefully. We believe we can always suggest something that will best suit our customers' needs.

Our primary objective is to help our customers realize their ideas of a brighter living. We sell not only chandeliers and lamps but also luxury and warmth.

Please feel free to contact us.

We are always waiting for you.
